## EXPLORATION OF FLIGHT

Exploration of Flight provides one of the most unique event experiences in Denver's South Metro Area. Situated on an active flight ramp on the south side of Centennial Airport in Englewood, Colorado, the hangar offers over 9,000 square feet of indoor floor space and 10,000 square feet of flexible tarmac space surrounded by an ambiance that can only be found at one of the nation's busiest general aviation airports.

From a casual meeting for 20 to a formal celebration for over 300, your guests are sure to have a special time whether inside the hangar or on the ramp.

# EXPLORATION OF FLIGHT ACTIVITIES

Rates subject to change based on season and availability. All simulator and activity requests must be made at least 3 weeks in advance.

## FlyThisSim Touchtrainer FM210

**Time: 10 - 15 minutes per ride**

An FAA-approved flight simulator that provides an immersive dual seat cockpit experience. The massive 64 square feet of wrap around visual display will keep you coming back for more!

## RedBird XWind

**Time: 10 - 15 minutes per ride**

Learn the proper techniques to conquer challenging crosswind conditions. The RedBird XWind gives users a unique appreciation for the skill of pilots by placing pilots in gusty conditions for extended periods of time.

# EXPLORATION OF FLIGHT ACTIVITIES

Rates subject to change based on season and availability. All simulator and activity requests must be made at least 3 weeks in advance.

## RedBird FMX

**Time: 10 - 15 minutes per ride.**

This FAA-approved partial motion simulator offers immersive visuals and motion technology. The FMX delivers ultra-realistic training environments and provides you a range of opportunities to fly today's most advanced aircraft.

## Gyro Ball

**Time: 2 minutes per ride.**

Strap into a tumbling gyro chair to understand the circulatory system, g-forces and spatial disorientation pilots experience. Must be 54" or taller to ride.

## Do I need to make an appointment for a site visit?

Yes, please contact our Events Department to schedule a site visit.

## How much time do I have to set up and tear down my event?

You will have two hours prior to your event to set up and two hours following your event to tear down.

## Will my guests have to pay for parking?

No, we provide free parking spots. Parking attendants may be required for an additional fee.

## Can guests interact with the planes and exhibits?

Yes, many of our exhibits are interactive and available during your event. Flight simulators can be open during your event for an additional fee.

## When is the rental deposit due?

The signed rental contract is due with a 50% deposit 14 days after the signer has received it. Final payment is due by your event date.

## Do I have to use one of Wings' preferred catering vendors?

Yes.

## Does Wings Staff set up and tear down my event?

No, your caterer is responsible for set up and tear down.

## Can I use your sound system and lights?

Yes, our built-in sound and lighting system can be rented for a fee. A consultation with Production Services International is required.

## Do I need insurance?

Yes, we require insurance for all events. We can direct you to the proper site to obtain insurance.
